

ECO-CHOICE GP DETERGENT

Our Eco-Choice Range is simple, cost effective and environmentally safe.

Product Details

Concentrated for enhanced effectiveness, Eco-Choice GP Detergent provides high-quality cleaning power at a competitive price. Its 'suds-rich' formula effortlessly tackles tough, dried-on food while containing natural skin softeners for a revitalising experience. After cleaning, it rinses away completely, reducing slippery dishes and breakages, with a non-streak formula ideal for glassware. Furthermore, it boasts a refreshing citrus fragrance and performs excellently even in hard water conditions.

Application

Squirt the required amount into the sink or bucket. For enhanced efficiency and economy, consider automatic dispensing through a measure pump.

Additional Notes

Available in 5L, 15L, 200L & 1000L.

Industry Suitability

Hospitality & food processing facilities

Healthcare - Hospitals & aged care facilities

Mining - Accommodation

Other - Leisure centres, offices & residential

Education - Schools & early learning centres

Environmental Benefit

The environmental benefit of using ChoiceChem's Eco-Choice range lies in its commitment to sustainability and eco-conscious formulations. These products are designed to minimise harm to the environment by incorporating biodegradable ingredients, reducing pollution, and promoting a healthier ecosystem. Furthermore, all products within the Eco-choice environmental range are phosphate-free.
